The Moderator stated that there had been discussion of having the spring meeting omitted and have two days in the fall like it was the year before last. Vote taken on same. Thirty-six voted to have a spring and fall meeting - ten voted to have the meeting return to fall, therefore we will have a spring meeting and a fall meeting. Rev. Tommy Inman asked about way the money was sent in (so much per resident member) and after much discussion it was decided that each church would submit to the associational Clerk the number of active resident members and this is what the budget will be paid in from. Baptist Children's Homes Report - 1986

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our 101st year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than 25 youth into the fellowship of the local church.

The New Homes and Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with 50 percent of that which was received going to the Children's Homes, 25 percent to the Hospital and 25 percent to the Retirement Homes. The goal was $1.6 million. We encourage you to help promote the new offering in your church during May 1987.

UPDATE/PEMBROKE AREA:

The work at Odum Home is a continuing process to provide quality care and resources for the families who seek our help.

We continue our efforts to beautify and enhance our campus in physical appearance as well as offering programs in recreation, arts and crafts, education and spiritual guidance.

Staff training is essential in our work with the families we serve, therefore, workshops and training in all areas of child care are made available.

This past March, Burnt Swamp Baptist Association had their Union Meeting on our campus and it proved to be a rewarding experience for staff and children as well as for the pastors and members of the association. More than 225 persons attended this meeting.

Baptist Retirement Homes Report

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc. has sought to create a broader awareness of its services across the state. Implementing state-of-the-art communication techniques through use of the *Biblical Recorder*, local newspapers and direct contacts, the Homes is effectively making itself known to greater numbers of senior adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the senior adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to senior adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November 1985, the fine tradition initiated by past Presidents will continue. Yet, the trustees and administrative staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

Mr. Anson Ludlum

Executive Promotion Committee Report

The Executive Promotion Committee of the Dock Missionary Baptist Association held the quarterly meetings on December 6, 1985, March 7, 1986, June 6, 1986, and September 12, 1986. The committee appointed a Nominating Committee since we failed to elect one at the annual associational meeting. The Nominating Committee is as follows: Eugene Fowler - New Life, Darcy Hardwick - Poley Bridge, Hubert Gore - Happy Home, Alan Gore - Olyphic, and Grover Faulk as chairman. After discussion it was decided to nominate the General Board member along with the other associational officers. We decided to have a security light installed at the associational building. We discussed Magnolia not supporting the association and appointed a committee to meet with the deacons and discuss same. The committee consisted of Rev. Eugene Evans, Rev. Larry Williamson, and Rev. Joe Stanley. This committee reported that they meet with the deacons and pastor of Magnolia and they stated they were not aware that Magnolia was not supporting the association. They stated they would go back to the church and see if they could straighten the situation out. We also discussed having a list of licensed ministers in the association to fill in as supply pastors. Mr. Walter Powell copied same and presented copies to all churches represented. We discussed that the June meeting always conflicts with graduation. We decided to bring the matter up before the association since the meeting time is stated in the constitution. A Budget Committee was appointed for 1986-1987. The committee consists of Rev. Grover Faulk, Moderator, Carolyn K. Gore, Clerk/Treasurer, and Mr. Guy Buck, Riverside. The Korean Mission Fund was discussed along with our support of same. Lawn upkeep was discussed and we decided to have a Mr. Williamson give a price on same and Rev. Robert Gaskins to report on same. A Benevolence Committee was appointed consisting of three men. Each man is to be in charge of the benevolence fund for six churches. They are as follows: (1) Rev. Mort Formyduval - Magnolia, Honey Hill, Myrtle Head, New Britton, Zion, and Camp Branch; (2) Mr. Jim Williams - Olyphic, Gore's Chapel, Seven Creeks, Happy Home, Poley Bridge, and Palmyra; (3) Rev. Grover Faulk - Jones Street, New Life, Sandy Plain, Dulah, Riverside, and Mt. Sinai. These men are to send flowers to the families of the EPC member or pastor from each church. Voted to send a copy of the DMBA annuals to the Southern Baptist Historical Library. Mr. Charles Simmons spoke to the EPC about the Brunswick Prison Ministry which is sponsored through the Columbus Baptist Association and it was decided to support same with an offering of $500.00. The proposed budget for 1986-1987 was presented and same was accepted for presentation to the associational meeting.

North Carolina Baptist Hospital Report - 1986

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical experience and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 percent of her hair-bearing

scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of nine young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Darcy J. Hardwick

Stewardship and Cooperative Program Report

The Southern Baptist Convention has grown into a major church organization in our nation and throughout the world as a result of our missionary concern in witnessing Jesus Christ. Our growth can be credited to the faithful and dedicated servants of God who have struggled to promote missions as our greatest priority. We learned early in our history that cooperation among our churches was necessary if we were to survive.

Since 1925, Baptists have supported mission ministries through offerings to the Cooperative Program. Today, we define the Cooperative Program as a financial channel of cooperation between the State Convention and the Southern Baptist Convention which makes it possible for all persons making undesignated gifts through their churches to support the missionary, educational, and benevolent work of our convention. Members still have the privilege to designate their gifts if they desire.

In September 1986, in Nashville, TN, the Southern Baptist Convention's Executive Committee approved a proposed 1987-1988 Southern Baptist Convention Cooperative Program Budget goal of $140 million. This money will be given by members of our churches and then channeled through the State Baptist Conventions

for national and international causes. This proposed budget is 2.94 percent larger than the $136 million goal for 1986-1987. (Copied from the *Biblical Recorder*)

On February 28, 1986, Mr. Ken Batts, the Associate Director of Stewardship Development and Cooperative Program promotion, led the Dock Associational Bold Mission Stewardship Conference. Our study manual for this conference was entitled: "The Church's Stewardship Ministry." Mr. Batts emphasized to us our responsibilities as good stewards of God's creation. He described several plans for giving and challenged us to become involved in a planned program of giving applicable for our churches. He also offered his assistance to any church interested in adopting a program.

Over and over we need to be reminded of the truth of Psalm 24:1, where we read: "The earth is the Lord's and the fullness thereof; the world and they who dwell therein." God is the owner and we are his stewards. In God's time, we will be called upon to give an account of ourselves to Him. May we be found among the faithful.

Mrs. Esther Smith

Woman's Missionary Union Report

The 1985-1986 year has been a good and busy one for the ladies of the Dock Woman's Missionary Union (W.M.U.). It has been North Carolina's centennial year of celebration. Rev. J. M. Gore from Miller's Creek Baptist Church in Miller's Creek, NC was our guest speaker at the Dock associational meeting on October 26, 1985, which met with Myrtle Head Baptist Church. He got our year off to a good start with a challenge to sacrificial giving to our mission programs. The results are goals met, souls won to Christ, and our privileges as Christian Missionary Baptists exercised.

Mrs. Lottie Ludlum's fashion review 1985-1986 has been enjoyed at New Britton on November 17, 1985; Olyphic on January 5, 1986, for the 100th anniversary celebration of N.C. W.M.U.; at New Life on February 2, 1986; at Seven Creeks on March 9, 1986, for the Dock Associational Annual W.M.U. meeting; and at Zion on September 21, 1986, for an age-level Appreciation and Recognition Day.

An Associational Prayer Retreat was held at Zion on November 3, 1985. A Woman's Study series was conducted by Mrs. Lotie Ludlum in May 1986 at New Life Church.

We had our W.M.U. study courses for both Foreign and Home Missions as well as our Week of Prayer for each. We have decided to have our fall Mission Study Course as an associational group at a designated church and our spring study course in the individual churches.

Eleven Baptist Women organizations consisting of 165 members, six Acteen organizations consisting of 23 members, eight Girls in Action organizations consisting of 53 members, and six Mission Friends organizations consisting of 48 members have reported contributing $3,580.00 to the Lottie Moon Offering, $2,060.00 to the Annie Armstrong Offering, and $1,811.00 to the State Missions Offering, plus $1,139.00 for local mission causes and $100.00 designated to the Cooperative Program. The many acts of kindness and love manifested by each group are of no monetary value but are sending up solid building materials for future mansions.

The Dock W.M.U. Council was represented at the planning workshop in Kinston, NC in August and followed-up with our own workshop on September 23, 1986, at New Britton, We hold regular planned council meetings to plan our work, as we believe that to be successful, planning and preparing essential tools.

It is my prayer that by next reporting time our six churches who still have no W.M.U. organization of any kind will have been led to make our association 100 percent in at least one W.M.U. organization.

The following Gifted to Serve, Called to Act group encourages you to contact either or all of them - whatever your need.

Report of the General Board
North Carolina Baptist State Convention - 1986

As a member of and representing the Dock Baptist Association, I am pleased to be completing the first year of a four-year term as a member of the General Board of the Baptist State Convention of North Carolina. This year can be characterized basically as a learning experience for me regarding the many programs, institutions, personnel, and services provided by the Baptists of North Carolina. After serving a year on the General Board, I am convinced more than ever that our Christian faith and principles are personified by our Baptist denomination.

During 1986, the General Board met in session as follows:

Caraway Conference Center, January 27 and 28
Wake Forest University, May 27 and 28
Caraway Conference Center, September 30 - October 1

The agenda for these sessions included the normal and routine business matters relating to the operation of the Convention. However, items of special significance and perhaps of interest to all North Carolina Baptists include the following which are subject to action of the State Convention in November.

WAKE FOREST UNIVERSITY - A NEW RELATIONSHIP: A committee report was approved that would implement a new relationship with the Wake Forest University which states "The Baptist State Convention of North Carolina and the Wake Forest University shall have a fraternal, voluntary relationship under which Wake Forest University is autonomous in governance."

NORTH CAROLINA BAPTIST ASSEMBLY - BUILDINGS: Recommended that the Convention grant the authority to the General Secretary-Treasurer to borrow up to $2,000,000 for the purpose of constructing a conference center and two classroom buildings at the North Carolina Baptist Assembly at Fort Caswell.

1987 BUDGET: Recommended approval of the 1987 basic budget in the amount of $26,125,000.

FRUITLAND BAPTIST BIBLE INSTITUTE: Proposed action removes this institution from the Division of Missions of the Convention and establishes it as an agency of the Convention.

Ralph C. King

Constitution and Bylaws

ARTICLE I - NAME

This body shall be denominational and known as the Dock Baptist Association. It shall be composed of lawfully organized Southern Baptist Churches.

ARTICLE II - PURPOSE

The purpose of the association shall be to counsel together for the enlargement, expansion, and strengthening of the work of our Lord; to promote unity, growth, and fellowship among the churches, to engage in cooperative mission activities which cannot be accomplished by member churches acting independently, and to further the spirit of cooperation with the Baptist work in general as set forth by the Baptist State Convention of North Carolina and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The membership of the association shall be composed of messengers who are representatives to the association from her affiliated churches. The number of messengers from each church shall be as follows: three messengers for the first 100 members or fractions thereof, and one additional messenger for each additional 100 members or major fraction thereof. Such messengers shall be duly certified in the annual letters sent by the churches to the annual business session of the association. All ordained pastors of each church composing this body shall be allowed voting privileges. The courtesies of the floor may be extended at the discretion of the body to representatives of our denominational interests, and also to ministers and members of other Christian organizations.

ARTICLE IV - NEW CHURCHES

Churches may be received into the fellowship of this association only after having been under the watchcare of the association for one full year. Application for membership shall be made through the General Board of the association. Churches under the watchcare of the association shall make a written quarterly report of their progress and cooperative efforts in the work to the General Board, which meet on the 3rd Friday Night in March, June, September, and December of each year.

ARTICLE V - AUTHORITY

1. The association shall be a cooperative body for the purpose of fellowship, promotion, and counsel among the churches. It shall in no case control or direct a church with reference to its own government or internal policy. However, the association may upon invitation of a church send a committee to counsel with and advise that church.

2. A church may withdraw membership from the association upon presentation of a written request.

3. The association may withdraw fellowship from a church for a just cause upon recommendation of the General Board and upon approval of same by a majority vote of the members of the association in the annual business session present and voting.

ARTICLE VI - OFFICERS

1. The general officers of the association shall be a *moderator*, a *vice-moderator*,

and a *clerk/treasurer*, each selected to a two year term at the annual business session of the association, and a director of missions, who is not subject to annual election. The moderator shall be elected for one term and cannot immediately succeed himself after the second successive term. The moderator should be a model Christian with leadership capabilities.

2. The MODERATOR shall preside over the sessions of the association. He shall also be the chairman of all committees of the association. He shall appoint committees as needs arise and shall have general supervision over the general work of the association. The VICE-MODERATOR shall preside in the general absence of the moderator. The CLERK/TREASURER shall record, print, and distribute the annual minutes of the body and shall serve as secretary of the General Board. The CLERK/TREASURER shall oversee the receiving, recording, and disbursement of all associational funds. Disbursements not included in the annual budget may only be made upon written order from the chairman of the General Board. He/she shall also present an annual report during the annual business session. The DIRECTOR OF MISSIONS shall administer the work of the association and shall give his support to all offices and committees of the association. He shall (when at all possible) attend the Southern Baptist Convention and the N.C. State Baptist Convention and make a written report to all churches of the association. He shall attend leadership conferences and seminars to better equip himself to properly respond to the needs of the association.

3. The general officers shall be nominated by the Nominating Committee. The committee shall make known their nominations at the spring session, but no vote shall be taken. At the annual business session in the fall, the committee will again make their report. Immediately following the report further nominations may be made from the floor. In the event of further nominations for an office, nominations for that office shall be voted on individually. The newly elected officers of the association shall take office upon adjournment of the associational annual session.

4. The Departmental Officers of the association shall be nominated by the Nominating Committee each year. These shall be *ASSOCIATIONAL SUNDAY SCHOOL & CHURCH TRAINING DIRECTOR, ASSOCIATIONAL YOUTH DIRECTOR, ASSOCIATIONAL BROTHERHOOD DIRECTOR, ASSOCIATIONAL MUSIC DIRECTOR, ASSOCIATIONAL VBS DIRECTOR, ASSOCIATIONAL STEWARDSHIP DIRECTOR,* and *DIRECTOR OF PASTORAL MINISTRIES.* The Woman's Missionary Union of the association will elect their Director in the annual meeting. These officers shall constitute the *Associational Council.*

ARTICLE VII - GENERAL BOARD

1. The association shall have a General Board which shall be charged with the responsibility for carrying on all the business of the association and promoting all work authorized by the association in the interim between annual business sessions. A report of the work of the General Board shall be presented at the annual business session of the association.

2. The General Board shall be composed of either the pastor or interim pastor and one lay member of each church. The moderator, vice-moderator, clerk/treasurer, and director of missions shall be members of this board.

3. The General Board shall meet quarterly at the associational office building on the 3rd Friday night in March, June, September, and December of each year. Also, the moderator has the authority to call a special session of the General Board if necessary for a stated purpose when notice of such meetings has been sent to all members.

4. The General Board shall have an Associational Council composed of the

Departmental officers, moderator, vice-moderator, clerk/treasurer, and director of missions. The ASSOCIATIONAL COUNCIL will meet on the 2nd Friday in March, June, September, and December at the associational building. It shall coordinate the work of the association and make recommendations to the General Board about programs and promotion of the work of the association.

5. The General Board shall elect from its membership a Budget and Finance Committee at its December meeting. This committee should consist of five members (two of which would be the moderator and the clerk/treasurer). This committee shall survey the needs of the association as presented by different organizations, and shall prepare a budget to be submitted for approval by the General Board. The budget approved at the June meeting of the General Board shall be included among the recommendations of the General Board to the association in the annual business session. The Budget and Finance Committee shall also promote the effective operation of the current budget in cooperation with the associational clerk/treasurer.

6. The General Board may name such other committees as it may deem necessary for carrying on its work.

ARTICLE VII - AMENDMENT OR REVISION

This Constitution may be amended or revised at any annual business session of the association by a two-thirds majority of the messengers present and voting, providing the proposed amendments or revision shall have been presented in writing to the General Board during their September meeting and approved by a two-thirds majority of the General Board present and voting. If approved, each church shall be notified immediately in writing of the proposed amendment or revision which shall be voted on in the annual business session of the association. Any amendment or revision shall take effect immediately upon adoption.

Bylaws

1. All meetings of this body shall be opened with scripture and prayer.

2. The fiscal year shall run from October 1 to September 30 and all annual reports shall conform to the dates of the fiscal year, and shall project programs for the current year. The reports shall be presented by the director for the current year.

3. The messengers shall observe towards the officers and each other that courtesy which becomes Christians.

4. Any messenger wishing to speak shall rise, address the presiding officer, state his/her name and the church which he/she represents. He shall confine himself strictly to the question under consideration, and avoid all personalities.

5. No messenger shall speak more than once on the same question without permission.

6. All motions seconded shall be definitely stated by the presiding officer before discussion.

7. No motion shall be withdrawn after discussion.

8. When a question is under discussion, no motion or proposition shall be received except to adjourn, to lay on the table, to amend, to commit, or to postpone to a definite time.

9. After a motion has been decided, any messenger having voted in the majority may move a reconsideration.

10. All questions except as relate to the Constitution shall be decided by a majority of votes.

11. The association shall have the right to decide what subject shall be admitted to consideration.

12. These by-laws may be altered or amended at any business session of the association by a majority vote.

13. In cases not covered by the Bylaws, *Robert's Rules of Order (Revised)*, shall be followed.

Baptist Children's Homes Of N.C. Report To The Association

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.

2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N.C. in realizing this dream in 1987.

3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.

4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

UPDATE/PEMBROKE AREA FAMILY SERVICES: The Odum Home staff continues to seek excellence in providing services and resources for hurting children and their families. This past year has been a good one for the dedicated staff and children/youth in care. We have often been able to rejoice as family members have been reunited, thus fulfilling one of our desired goals.

The Baptist Men and Women's Missionary Unions of our area Baptist Churches have been involved in meeting many of our needs. We are grateful for their expressed interest, prayers and support. Several area churches have provided funds for special projects.

Plans call for a continuation of our efforts to beautify and enhance our campus and cottages. We also renew our commitment to provide quality child care for some of God's loveliest children.

Through your faithful prayers and generous gifts, we continue to be laborers together for God, thus being grateful for the opportunity to serve with you.

Baptist Foundation Report To The Associations, 1987

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee. There he talks with them about Jesus, and Frank has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and resources for associational leadership; and for camp development. Frank Neville, like others who are faithful stewards now, wishes to continue that commitment when he is no longer here.

The Foundation promotes endowment of Christian causes with an assurance drawn from its experience with donors that such planning for the future in no way minimizes "now" witnessing and giving. Just the opposite has been the case; the faithful steward is faithful in every area. The statistics, dollars and facts of this report are truly about the people whose impassioned concern for mission and ministry has resulted in positive action.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled $1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work provided through the trusts. Assistance was given to dozens of persons in preparing their Wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

One imaginative concept employed in several trusts and Wills has been "Give it Twice". A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement. He has denied his family nothing! They have received it all. But the principal is still intact and the second time around the income will support Kingdom work.

Because of the 1986 tax reform legislation, certain types of trusts have taken on new significance. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This trust is especially attractive for professional persons and others in middle years for supplementing other pension plans.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. Investment of those funds with the Foundation can, in some cases, result in greater income for the church. Conversely, since the funds are pooled and since churches can recall the funds, if they are withdrawn during a depressed market, principal returned to the church could be reduced. It is impor-

tant that churches recognize that the Foundation's first objective is to assist individuals in estate stewardship. The motivation for using the Foundation must be the making of a gift to a Baptist cause. The Foundation does not operate as a bank or investment institution. However, one exciting realization for the church is that investment through the Foundation allows their funds to be a part of "family" and to be available for "family" use, if they desire.

In corporation with the state convention, the Foundation established in the last year a credit line of $3,000,000 for church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The Board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September, 1987.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

The Baptist Retirement Homes Of North Carolina, Inc.

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. ADVOCACY FOR OLDER ADULTS

During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. QUALITY CARE

During the year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients.

In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.

III. EXPANSION AND DEVELOPMENT

During 1986-1987, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete

expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

The *Biblical Recorder*

Report to the Association--1987

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the *Biblical Recorder*!

The state Baptist paper for North Carolina always tries to tell it like it is--the good, the bad, the victories and the warts--with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The *Recorder* tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain--only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the *Recorder* directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

Brotherhood Report

We had a workshop for RA Counselors at the associational office building on February 17, 1987, with fourteen (14) in attendance and five (5) churches were represented.

We had an associational brotherhood meeting at New Life Church including a chicken bog supper prepared by their brotherhood. We had an attendance of fifty-eight (58) people including Bro. David Langford from the Brotherhood Department of the Baptist State Convention. We decided at that meeting to have an annual meeting with chicken bog supper each year.

We had another RA workshop at the associational office on August 25, 1987.

I attended the Key Leadership Conference at Ridgecrest in May representing the Brotherhood Dept. of the Dock Association. I also attended the Annual Baptist Men's Conference at Ft. Caswell on Sept. 11 and 12. We had a good meeting with good attendance. At that conference I was appointed "Regional Coordinator for the Correctional Ministries" (prison). This region covers nine (9) associations from Wilmington to Fayetteville.

I am very excited and pleased to report that we have had two (2) churches in the association to organize a Brotherhood this year.

Prayerfully submitted,

Campbell University Reports

"The Annual Session of the Local Association"

Campbell University is alive and doing well!

In May we graduated one of the largest and one of the most promising classes ever to walk across the stage and receive their diplomas. For this we are grateful to God.

Having completed our Centennial year and now into our 102 Convocation we feel that this will be a banner year also.

Campbell is not waiting for students to come to us. We are going where they are. And if they are not able to attend classes in the day time--night classes are provided. At the present time Campbell University has a very large school on the Fort Bragg Reservation; the Marine Corp Air Station, Camp Lejeune, Jacksonville, NC; Seymour Johnson Air Station, Goldsboro, NC; Western College, Rocky Mount, NC; Peace College, Raleigh, NC; Central Carolina Technical College, Sanford, NC; Baptist College, Cardiff Wales; and Tunku Abdul Rahman College, Kuala Lumpur, Malaysia. Campbell is out there where the action is!

Let us report that, in addition to a thriving undergraduate program it causes us to feel good to report that our graduate program is doing well also.

Campbell's Law School is known, literally across the United States and around the world for its fine performance. Its enrollment is overflowing. The new School of Pharmacy, now in its second year of performance has an overflowing enrollment and two years from now will be graduating the first class of Doctors of Pharmacy who will make their contribution in the field of medical and pharmaceutical research.

The Lundy-Fetterman School of Business bows its head to no one. We are proud of her graduates who fan out everywhere to help guide the economy of the world.

Our newest school, the graduate program in Education is now in position to grant the PH.D.

If time would permit there are many good things we would like to share with you about our university. Come to see us and let us show you first hand.

1987 Annual Associational Report

The Christian Life Commission of the Southern Baptist Convention
P.O. Box 25266, Nashville, Tennessee 37202-5266
N. Larry Baker, Executive Director

During the past year the Christian Life Commission elected a new Executive Director, continued its fight against gambling and hunger and increased its initiatives on abortion, pornography, and other moral concerns related to families.

In January, Dr. N. Larry Baker was elected as the fourth Executive Director of the moral concerns agency. He succeeds Foy Valentine who stepped down from the top post because of health problems and assumed a new position as Executive Director for Development. Baker, former Vice President for Academic Affairs and Dean of the Faculty at Midwestern Baptist Theological Seminary, took the reins of the Commission on March 15. He was formally installed a week later during the Commission's national seminar on "Critical Issues Facing Today's Families."

The annual seminar of the Commission attracted 600 participants from throughout the Southern Baptist Convention. Nationally recognized speakers addressed a wide range of family issues including teenage suicide, aging, AIDS education, child abuse, and teaching moral values in the home and in the church. A conference for youth ministers addressed the theme "Moral Problems and Youth."

The problem of abortion received high priority as the issue became a major staff assignment. The Commission sponsored a national consultation on alternatives to abortion designed to chart new courses of action in the fight against abortion. The Commission also produced and distributed eight new abortion-related resources designed to help in the observance of Sanctity of Human Life Sunday and to strengthen ongoing anti-abortion efforts.

Similar information and resources were provided to help Southern Baptist churches observe four other special emphasis days on the denominational calendar. In addition to the Sanctity of Human Life Sunday, the Commission produced support materials for Race Relations Sunday, Christian Citizenship Sunday, the Day of Prayer for World Peace, and World Hunger Day. The hunger emphasis continued to be aggressive as the annual Awareness/Action Guide was sent to all pastors and Directors of Missions.

An increased number of conferences were held in partnership with state conventions. These included a state conference on moral issues in Illinois, regional conferences in Virginia and South Carolina, and leadership training conferences in Virginia and South Carolina.

Anti-pornography initiatives included a conference in Los Angeles, publication of two new pamphlets and production of a videotape on pornography. The Com-

mission also provided staff assistance for a new Broadman film and videotape entitled "Combating Pornography."

Sales and distribution of Christian ethics materials increased by more than 65 percent, setting an all-time high. The past year marked another record as the circulation of LIGHT increased to more than 19,000.

Director Of Missions Report To The Association

I am excited about the things that are taking shape in the Dock Association. I feel that we are moving upward and doing more each day for the advancement of God's kingdom. I am especially thankful to the departmental officers of the association who have worked so hard this past year. I have attended several key meetings this past year, including the Director's of Mission week at Wingate College. I have and will continue to work closely with the Columbus and the Brunswick Associations to establish an extension of Fruitland Bible Institute in Brunswick County.

Our monthly newsletter, The Docket, has become a reality and circulation increases every month. Several changes have taken place at the associational office with the installation of a security system and the purchase of office equipment. Information files are being established so that we may be able to better understand all the ministries of the Southern Baptist Convention and the N.C. State Baptist Convention.

Regular office hours have been established during the past year, with the office being open on Saturdays from 1-4 p.m. I want to stress, once again, that I am at your service any time. Don't hesitate to call me. It is a privilege to labor together with you in the Dock Association.

Respectfully yours,
Alan Gore, DOM

Report Of The Executive Promotion Committee

The Executive Promotion Committee of the Dock Association met four times during the past year. These meetings were December 12, 1986; March 6, 1987; June 19, 1987; and September 11, 1987. The following business was transacted during these meetings.

1. Organized a Constitution Committee to rewrite our constitution
2. Clerk was instructed to mail copies of minutes to each pastor and executive board member.
3. Replaced heating unit that had been stolen
4. Report of the Nominating Committee was given
5. Installed security system in associational office building
6. Approved installation of insulation in the office building
7. Approved the purchase of two file cabinets and the building of shelves for the office
8. Decided to leave the associational tithe as so much per resident member instead of asking the churches to give on a percentage basis
9. Rev. Joe Stanley urged churches to give to the association as the Lord had blessed them over and above the requested tithe needed to meet the budget.
10. Purchased a copier and typewriter for the office.

Respectfully submitted,
Jim Williams, Moderator

Report Of The General Board
North Carolina Baptist State Convention-1987

I am pleased to be completing the second year of a four-year term as a member of the General Board of the Baptist State Convention of North Carolina. I am especially pleased to be in this position representing the Dock Baptist Association and the eighteen (18) churches within this association.

The General Board met in session three times in 1987 as follows:

Caraway Conference Center, February 24-25, Asheboro, North Carolina
Gardner Webb College, May 18-19, Boiling Springs, North Carolina

Caraway Conference Center, September 29-30, Asheboro, North Carolina

In addition to these sessions, I attended the Baptist State Convention held in Greensboro, North Carolina, on November 10-12, 1986. All these meetings involved, for the most part, normal and routine business matters relating to the operation and functions of the convention.

As Baptists, we can be thankful for our State Baptist Convention and our local association for their efforts in assisting our churches in the advancement of Baptist work in North Carolina.

Respectfully submitted,
Ralph C. King

North Carolina Baptist College Report - 1987

Gardner-Webb 1905	Wingate 1896	Meredith 1891	Campbell 1887
Mars Hill 1856	Chowan 1848	Wake Forest 1834	

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist colleges.

The following summary of the survey's conclusions will interest our Baptist people in the churches and associations:

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.

2. More than 80 percent rated North Carolina Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school.

3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. The overwhelming weakness is the cost.

4. Most said they learned about the colleges through the *Biblical Recorder*. The opinion was strong, however (65%), that Baptist students do not receive sufficient information about Baptist colleges through the local church.

5. When asked about the percentage of Cooperative Program funds Christian education, 45.5 percent answered that it is "about right," while 38.8 percent replied the percentage is "not enough."

6. Respondents to the survey were 29 percent women and 40 percent lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

(A copy of the complete survey results may be obtained by writing to the Council on Christian Higher Education.)

More About North Carolina Baptist Colleges

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time of growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending life. An excellent, broad-based education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

1986-87 Report Of The Education Commission to the Southern Baptist Convention

Arthur L. Walker, Jr., Executive Director-Treasurer

The Southern Baptist commitment to introduce Christian truth into every area of life makes the emphasis of the Education Commission increasingly important in today's world. This commitment is the basis for all that is done in Southern Baptist life in its educational emphasis. The study of the 21st century done for the Directors 2000 Project emphasizes that the current information era will place new demands on and thus emphasize the value of education. With the emphasis upon the need for greater education and the opportunities which will increase the availability of education in the closing years of the 20th century, there is likely to develop a counter movement which will make it more difficult for larger portions of the population to receive adequate education. In such a circumstance the service motive of Southern Baptist-related institutions of higher education will have a greater opportunity to be exercised.

The increasing pluralism of our society has required the rethinking of the real meaning of missions. Southern Baptists are increasingly aware that missions mean bringing individuals to confront the difference between their life-style and value system and the claims of Christianity.

Educational institutions which bring consideration of the decisions related to commitment and examination of personal values and moral standards are increasingly demanded in today's society. It is this kind of emphasis that is encouraged and supported by the work of the Education Commission in its attempt to reinforce those institutions supported both by the Southern Baptist Convention and by the various state Baptist conventions.

Support.-The 17 state conventions sponsoring schools and the Southern Baptist Convention increased their 1986 support to the schools by $3,696,959 for a total of $88,669,627. Of this amount, $789,132 was given as an addition to endowment funds. Donations, gifts, and grants totaling $109,648,929 showed a decrease of $6,651,643. Endowment funds amounted to $1,173,893,839; property was valued at $1,442,952,847, making assets total $2,616,846,686. This was an increase of $257,098,200. Endowment increased by $181,040,611 and property value by $76,057,589.

Church Vocation Volunteers.-Church vocation volunteers totaled 22,542 for 1986-87.

PROGRAM REPORT

The Program of Christian Higher Education Leadership

Education institutions sponsored by state conventions and the Southern Baptist Convention always have had a significant role in the mission thrust of the Southern Baptist Convention. The Education Commission, charged with the directive to foster and encourage opportunities for expanding the role of Christian higher

education in Bold Mission Thrust, continues its emphasis upon the recruiting of all students and particularly the recruiting and training of mission and church vocation volunteers.

The Education Commission administers funds for four scholarships. In 1986-87 these scholarship funds totaled $419,593. Some of these scholarship programs provide funds to faculty members in Baptist institutions who are attempting to update their degrees and expand their educational experience. The Dorothea Van Deusen Opdyke Scholarships are provided for individuals in undergraduate college programs whose homes originally were in mountain areas of the nation. This scholarship was established more than 60 years ago by a trust fund.

During the past year the Education Commission has continued its research responsibilities by conducting studies in the course offerings at the various colleges, the comparative distribution of Cooperative Program funds to Baptist schools by sponsoring state conventions, enrollment, the number of church vocation students at Baptist educational institutions and international education programs.

The Education Commission continues to emphasize the role of its placement registry service which is provided for the Baptist institutions in seeking prospective Baptist faculty and staff. The number of requests for information about prospective Baptist faculty members continues to grow each year.

The annual emphasis on Baptist Seminary, College and School Day in February is the only major promotional effort to inform Southern Baptist churches of the uniqueness of their Baptist educational institutions. Local church sponsoring of such programs has had a tremendous resurgence of interest in recent years.

Distribution of *The Southern Baptist Educator* has continued to increase through the enlarged subscription list and the addition of two issues each year so that the publication is now monthly.

The emphasis on the shaping of a Christian perspective in understanding human experience and a personal life commitment continues to be the major mission and purpose of Baptist higher education.

Southwestern Baptist Theological Seminary

Fort Worth, Texas

Abstract of the 1987 Annual Report
to the
Southern Baptist Convention

Drew J. Gunnells, chairman of the board of trustees
Russell H. Dilday, seminary president

An examination of Southwestern Baptist Theological Seminary's vital signs shows the seminary in excellent health spiritually, academically and financially.

In the 1985-86 academic year, which ended July 31, 1986, Southwestern trained 5,070 student ministers on the Fort Worth campus; at off-campus centers in Houston and San Antonio, Texas; and Shawnee, Oklahoma; and at Hispanic Baptist Theological Seminary in San Antonio.

During the year, Southwestern awarded 954 degrees, diplomas and certificates. A total of 1,305 new students enrolled.

Southern Baptists' gifts through the Cooperative Program provided $7 million for this effort. Because of this lifeline, coupled with donors who give above the tithe, Southwestern continues to provide quality graduate theological education for a fraction of the cost non-Southern Baptist schools charge.

Upward 90, a five-year strategic plan for ministry in the 1990s, continues on schedule. Projects in this academic year included renovation of classrooms and offices in Scarborough Hall, curriculum revisions in all three schools and an increase in endowment.

A goal of raising $1.75 million for the Scarborough renovation was met during the year. Endowment at year's end reached $37.9 million, the seminary's highests total ever.

Trustees elected six to the faculty during the year: Dan Earl Clement, instructor in psychology and counseling; James Woodrow Walter Jr., associate professor of adult education; Dan R. Crawford, assistant professor of evangelism and missions; Bob R. Ellis, instructor of Old Testament; R. Allen Lott, instructor in music history; and Lynda Poston-Smith, assistant professor of voice.

These additions increased the faculty to 202, including 102 elected faculty members and 100 supplementary teachers.

Also in the past year Southwestern:

--added nine new courses to meet changing needs of the churches;
--conducted 76 continuing education training events;
--reclassified 90 percent of the Roberts Library Collection from the Union system to the Library of Congress system;
--sponsored 17 mission awareness events with more than 1,500 participants;
--led a church planting practicum with eight professors and 125 students;
--involved 205 students in Operation Penetration, a week-long evangelism effort in new work areas during spring break;
--adopted a five-year strategic plan for Hispanic Baptist Theological Seminary;
--upgraded office equipment with automated technology;
--began a program of local church certification for students.

VBS Report

You have heard the adage "If you don't suceed try, try again"-we did. We succeeded in having 100% participation-every church involved in Bible School-the first time ever. This has been my goal since I became your director. This is great-this shows love and concern of God's people to spread his love, his goodness and his tender loving care.

We offer our congratulations to New Britton and Palmyra for the highest enrollment. To my dedicated VBS Team many, many thanks, for a job well done. I could not have functioned without them - nor would the end results have been a 959 enrollment and 10 professions of faith if it had not been for the support and prayers of the Pastor's Directors, Teachers and all helpers. Thanks and thanks again, you have helped make this the greatest year ever.

Study the report below - begin now to make plans for next year. Notice the totals indicated by stars: solid stars had increased enrollment as well as highest, others with outlined stars indicate an increase in enrollment over last year.

In State VBS Clinic last February, I projected our total enrollment to 1,000 - we fell short by 41, but increased almost 100 over last year.

Looking forward to working with you again next year as we strive to do more in the name of our Lord.

Associational WMU Report

The Dock WMU looks back on 1986-1987 with thankful hearts for accomplishments, regrets over failures and prayerful determination to make 1987-1988 a better year in our Lord's mission work.

The twelve WMU's are made up of 11 Baptist Women's organizations consisting of 122 members, four Acteen organizations with 21 members, seven GA organizations with 37 members, and five Mission Friends organizations with 36 members. These organizations have inspired the giving of approximately $3,994.00 to Foreign Missions, $2,708.00 to Home Missions, and $850.00 to State Missions. Our community mission projects have no monetary value, but where help is needed WMU is on the scene.

A very special reporting for us is that Rev. Robert Gaskins and layman David Vaught are on the mission field in Korea. Please invite them to share their experiences with you after their return on October 31st.

We have observed our periods of prayer for Foreign and Home Missions, and $850.00 to State Missions. Our community mission projects have no monetary value, but where help is needed WMU is on the scene.

A very special reporting for us is that Rev. Robert Gaskins and layman David Vaught are on the mission field in Korea. Please invite them to share their experiences with you after their return on October 31st.

We have observed our periods of prayer for Foreign and Home Missions, following a study course for each. We have been represented in Key Leadership training at Ridgecrest and workshops in Kinston, N.C.. These were followed up with workshops for our own leaders.

A very distinguished and much in demand traveling spokesman for all WMU organizations, Mrs. Barbara Joiner, from Columbia, Alabama, was our associational guest speaker, April 24, 1987, at Poley Bridge. Her book, "Yours for the Giving" should be on every Christian bookshelf.

"Where He Leads", by Dale Evans Rogers taught by Mrs. Lottie Ludlum in May, 1987, is another must for your library.

Officers for 1987-1988, ready to serve you, are: Director--Minnie B. Gore, Sec./Treas/Centennial Chairman--Lottie Ludlum, Acteen Director--Carolyn K. Gore, GA Director--Ester Smith, Mission Friends Director--Smithie Long, Baptist Women Director--Ann Simmons, and Enlistment/Enlargement Director--Estelle Evans.

Mr. and Mrs. Robert Shaw, Columbus Association Missionary representatives for the second time to Togo, are our guest speakers today and will be sharing their experiences there with us. We are delighted to have them with us again.

Looking forward to 1987-1988, the Centennial year of WMU as an Auxiliary to the Southern Baptist Convention; we remember our leaders who pioneered the way for us, and spoke the word of God with no reservations or apology. We consider their outcome in life and will ever strive to imitate their lives. We believe that Jesus Christ is the same today as He was yesterday and tomorrow He will still be the same. These beliefs encourage us to press on toward the mark of the high calling of God in Christ Jesus.

Minnie B. Gore, Director

Constitution and Bylaws

ARTICLE I - NAME

This body shall be denominational and known as the Dock Baptist Association. It shall be composed of lawfully organized Southern Baptist Churches.

ARTICLE II - PURPOSE

The purpose of the association shall be to counsel together for the enlargement, expansion, and strengthening of the work of our Lord; to promote unity, growth, and fellowship among the churches, to engage in cooperative mission activities which cannot be accomplished by member churches acting independently, and to further the spirit of cooperation with the Baptist work in general as set forth by the Baptist State Convention of North Carolina and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The membership of the association shall be composed of messengers who are representatives to the association from her affiliated churches. The number of messengers from each church shall be as follows: three messengers for the first 100 members or fractions thereof, and one additional messenger for each additional 100 members or major fraction thereof. Such messengers shall be duly certified in the annual letters sent by the churches to the annual business session of the association. All ordained pastors of each church composing this body shall be allowed voting privileges. The courtesies of the floor may be extended at the discretion of the body to representatives of our denominational interests, and also to ministers and members of other Christian organizations.

ARTICLE IV - NEW CHURCHES

Churches may be received into the fellowship of this association only after having been under the watchcare of the association for one full year. Application for membership shall be made through the General Board of the association. Churches under the watchcare of the association shall make a written quarterly report of their progress and cooperative efforts in the work to the General Board, which meet on the 3rd Friday Night in March, June, September, and December of each year.

ARTICLE V - AUTHORITY

1. The association shall be a cooperative body for the purpose of fellowship, promotion, and counsel among the churches. It shall in no case control or direct a church with reference to its own government or internal policy. However, the association may upon invitation of a church send a committee to counsel with and advise that church.

2. A church may withdraw membership from the association upon presentation of a written request.

3. The association may withdraw fellowship from a church for a just cause upon recommendation of the General Board and upon approval of same by a majority vote of the members of the association in the annual business session present and voting.

ARTICLE VI - OFFICERS

1. The general officers of the association shall be a *moderator*, a *vice-moderator*,

and a *clerk/treasurer*, each selected to a two year term at the annual business session of the association, and a director of missions, who is not subject to annual election. The moderator shall be elected for one term and cannot immediately succeed himself after the second successive term. The moderator should be a model Christian with leadership capabilities.

2. The MODERATOR shall preside over the sessions of the association. He shall also be the chairman of all committees of the association. He shall appoint committees as needs arise and shall have general supervision over the general work of the association. The VICE-MODERATOR shall preside in the general absence of the moderator. The CLERK/TREASURER shall record, print, and distribute the annual minutes of the body and shall serve as secretary of the General Board. The CLERK/TREASURER shall oversee the receiving, recording, and disbursement of all associational funds. Disbursements not included in the annual budget may only be made upon written order from the chairman of the General Board. He/she shall also present an annual report during the annual business session. The DIRECTOR OF MISSIONS shall administer the work of the association and shall give his support to all offices and committees of the association. He shall (when at all possible) attend the Southern Baptist Convention and the N.C. State Baptist Convention and make a written report to all churches of the association. He shall attend leadership conferences and seminars to better equip himself to properly respond to the needs of the association.

3. The general officers shall be nominated by the Nominating Committee. The committee shall make known their nominations at the spring session, but no vote shall be taken. At the annual business session in the fall, the committee will again make their report. Immediately following the report further nominations may be made from the floor. In the event of further nominations for an office, nominations for that office shall be voted on individually. The newly elected officers of the association shall take office upon adjournment of the associational annual session.

4. The Departmental Officers of the association shall be nominated by the Nominating Committee each year. These shall be *ASSOCIATIONAL SUNDAY SCHOOL & CHURCH TRAINING DIRECTOR, ASSOCIATIONAL YOUTH DIRECTOR, ASSOCIATIONAL BROTHERHOOD DIRECTOR, ASSOCIATIONAL MUSIC DIRECTOR, ASSOCIATIONAL VBS DIRECTOR, ASSOCIATIONAL STEWARDSHIP DIRECTOR*, and *DIRECTOR OF PASTORAL MINISTRIES.* The Woman's Missionary Union of the association will elect their Director in the annual meeting. These officers shall constitute the *Associational Council.*

ARTICLE VII - GENERAL BOARD

1. The association shall have a General Board which shall be charged with the responsibility for carrying on all the business of the association and promoting all work authorized by the association in the interim between annual business sessions. A report of the work of the General Board shall be presented at the annual business session of the association.

2. The General Board shall be composed of either the pastor or interim pastor and one lay member of each church. The moderator, vice-moderator, clerk/treasurer, and director of missions shall be members of this board.

3. The General Board shall meet quarterly at the associational office building on the 3rd Friday night in March, June, September, and December of each year. Also, the moderator has the authority to call a special session of the General Board if necessary for a stated purpose when notice of such meetings has been sent to all members.

4. The General Board shall have an Associational Council composed of the

Departmental officers, moderator, vice-moderator, clerk/treasurer, and director of missions. The ASSOCIATIONAL COUNCIL will meet on the 2nd Friday in March, June, September, and December at the associational building. It shall coordinate the work of the association and make recommendations to the General Board about programs and promotion of the work of the association.

5. The General Board shall elect from its membership a Budget and Finance Committee at its December meeting. This committee should consist of five members (two of which would be the moderator and the clerk/treasurer). This committee shall survey the needs of the association as presented by different organizations, and shall prepare a budget to be submitted for approval by the General Board. The budget approved at the June meeting of the General Board shall be included among the recommendations of the General Board to the association in the annual business session. The Budget and Finance Committee shall also promote the effective operation of the current budget in cooperation with the associational clerk/treasurer.

6. The General Board may name such other committees as it may deem necessary for carrying on its work.

ARTICLE VII - AMENDMENT OR REVISION

This Constitution may be amended or revised at any annual business session of the association by a two-thirds majority of the messengers present and voting, providing the proposed amendments or revision shall have been presented in writing to the General Board during their September meeting and approved by a two-thirds majority of the General Board present and voting. If approved, each church shall be notified immediately in writing of the proposed amendment or revision which shall be voted on in the annual business session of the association. Any amendment or revision shall take effect immediately upon adoption.

Bylaws

1. All meetings of this body shall be opened with scripture and prayer.

2. The fiscal year shall run from October 1 to September 30 and all annual reports shall conform to the dates of the fiscal year, and shall project programs for the current year. The reports shall be presented by the director for the current year.

3. The messengers shall observe towards the officers and each other that courtesy which becomes Christians.

4. Any messenger wishing to speak shall rise, address the presiding officer, state his/her name and the church which he/she represents. He shall confine himself strictly to the question under consideration, and avoid all personalities.

5. No messenger shall speak more than once on the same question without permission.

6. All motions seconded shall be definitely stated by the presiding officer before discussion.

7. No motion shall be withdrawn after discussion.

8. When a question is under discussion, no motion or proposition shall be received except to adjourn, to lay on the table, to amend, to commit, or to postpone to a definite time.

9. After a motion has been decided, any messenger having voted in the majority may move a reconsideration.

10. All questions except as relate to the Constitution shall be decided by a majority of votes.

11. The association shall have the right to decide what subject shall be admitted to consideration.

12. These bylaws may be altered or amended at any business session of the association by a majority vote.

13. In cases not covered by the Bylaws, *Robert's Rules of Order (Revised)*, shall be followed.

Report to the Association
Baptist Children's Homes of North Carolina

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long-Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving fifty percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

Baptist Foundation
Report to the Associations 1988

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know." Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son *and* the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift," that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded." The individual has the joy of having a plan in place, all signed and legal.

Marjorie has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter,

her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions, the Lottie Moon offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic building. Marjorie named that church trust fund as the beneficiary of her unfunded trust. To her, happiness is having an accountable plan in place for the accountable steward.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

The Biblical Recorder

Associational Report - 1988

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The *Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it. . .if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

Brotherhood Report

I attended Key Leadership Conference at Ridgecrest and Baptist Men's Board meeting. Also, I attended a conference in Raleigh sponsored by N.C. Baptist and the Christian Action League concerning pari-mutuel gambling in N.C.

There are several changes made and more proposed concerning Brotherhood and RA programs. The older RAs (high school age) have been changed to "High School Baptist Young Men."

A proposal to change Brotherhood to N.C. Baptist Men and to make the N.C. Baptist Men function with a N.C. Baptist Men's Executive Committee. In addition, N.C. Baptist Men would become an auxiliary to the N.C. Baptist State Convention (see following proposal).

Also, we need men to work at the associational level to complete our Men's organization. Anyone interested contact me at my home by mail or by telephone.

Proposal on Auxiliary Status for Brotherhood/North Carolina Baptist Men

PURPOSE:

To enable Brotherhood/North Carolina Baptist Men to merge into one organization and to function in such a way as to allow the laymen to fully operate their mission program.

PROCESS:

1. That Brotherhood and North Carolina Baptist Men merge into one organization called North Carolina Baptist Men with the North Carolina Baptist Men Executive Committee functioning as the decision/policy making group.
2. That the organization be related functionally in the Baptist State Convention of North Carolina organization to the administrative associate for planning.
3. That the organization be funded, as presently, through the Cooperative Program and State Mission Offering.
4. That this will enhance, not diminish, the emphasis on local church mission organizations for men and boys.
5. When staff positions are to be filled, a joint committee consisting of three members of the North Carolina Baptist Men Executive Committee and three members of the Baptist State Convention Executive Committee will work together in the process, with the president of North Carolina Baptist Men serving as chairman. The recommendation must be accepted by the Executive Committee of both bodies.
6. The Executive Director of the Baptist State Convention will appoint a representative from the Administration office to serve as a voting member of the North Carolina Baptist Men Executive Committee.

RATIONALE:

1. A freer status would allow Brotherhood, as WMU, to work more closely with agencies and institutions - i.e., Children's Homes, Retirement Homes, Baptist Hospital.
2. Change the perception some have of Brotherhood operating exclusively within one given division.

3. Would give better access to men and women who are outside the "programs" of the church—reach all laity.

4. Enable organizations to be more supportive of all Convention work.

5. Allow freer cooperative efforts and joint projects between Brotherhood and WMU.

6. Neither organization fits smoothly within the existing divisions.

a. NCBM/WMU operate with their own Boards, which makes the work very different.

b. All of the Mission Division except Brotherhood relate directly to the Home Mission Board.

c. All of Church Programs Divison except WMU relate directly to the Sunday School Board.

7. As WMU and Brotherhood on the state level support all the Convention programs, so it is on the church level.

EXAMPLES of WMU and Brotherhood Current Involvement With All of the Baptist State Convention Endeavors:

1. Christian Life and Public Affairs: AIDS Conference, Hunger Emphasis and Projects, Alternate Gift Giving, Conference on Decency

2. Evangelism (A Task Assignment of both WMU and Brotherhood): Lay Renewal, Lay Witness

3. Youth and Campus: Work with International Student programs, overlapping of Baptist Young Men and Baptist Young Women campus organizations, summer staffing.

4. Christian Social Council: Projects with Baptist Children's Homes and Baptist Retirement Homes, plans for future projects with Hospital.

5. Business Division: Renovation of Caswell

6. Stewardship: Joint promotion of Cooperative Program and Planned Growth in Giving and Witnessing Giving Life.

7. Church Programs: Primarily Doctrinal Studies of Church Training

8. Missions: Work with language, Chaplaincy, Special Ministries, Seminary Extension, New Work, Associational Development

Annual Report to the Associations
Christian Action League of North Carolina, Inc.

1988

The ministry of Applies Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING—The greatest push ever for legalized gambling stands on the horizon. We have always had those who support a statewide lottery and pari-mutuel (horse and dog tracks) gambling. It is only in recent months that you have major candidates for statewide office in N.C. that embrace such proposals.

We have seen neighboring states like Virginia (lottery), Tennessee (pari-mutuel gambling), etc. to approve gambling initiatives due to the silence of the church.

In the 1987-88 session of the N.C. General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

The Christian Action League will continue to keep you informed and working on the scene. It is difficult to be effective, though, when you elect legislators who are not committed to moral and ethical principles.

DRUNK DRIVING—Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more, passed the House but got by-passed in the Senate. Who opposes such? The beer industry and certain trial lawyers who are more concerned about protecting drunk drivers than the safety of all citizens.

ABORTION—The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in N.C. have been met with legislative "foot-dragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

Furthermore, N.C. remains the only state in the Southeast to use state funds to kill unborn babies. Legislation to limit state funding only to those cases involving the life of a mother, incest, or rape, has been rejected repeatedly.

TOPLESS DANCERS—There is one piece of legislation that got "derailed" that is unbelievable. Since liquor-by-the-drink has been enacted in N.C., we have some bars and taverns near military installations that have been employing *minor* girls (as young as 15) as topless dancers. Legislation to correct this practice "sailed" through the House but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

When legislation of this nature cannot pass our N.C. Senate, perhaps you can understand the dilemma facing our state. It is quite evident that we are electing legislators according to party label rather than on moral principles. Unless there is a turn-around, the future looks bleak for moral and ethical issues.

The cause of applied Christianity calls for our vigilance and commitment.

The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayer and financial support as we join with you in being "salt and light."

North Carolina Baptist College Report - 1988
Council on Christian Higher Education
Baptist State Convention of North Carolina

WHAT IS A BAPTIST COLLEGE?

First, Baptist colleges are *colleges*, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word *"Baptist"* tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

North Carolina Baptist Hospital Report to the Associations 1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a 15-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayette-

ville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs...as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than 17 years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Respectfully submitted,
Darcy Hardwick, Representative

Sunday School Board Report to the Associations

With 17 programs of work assigned to the Sunday School Board by the Southern Baptist Convention, it would be easy to see the heart of the church programs and publishing board's work as *programs*. However, President Lloyd Elder told messengers to the 131st meeting of the Southern Baptist Convention in San Antonio, Texas, that *people* must always be the focus of all the Board does through its programs.

"Sunday School and Church Training curriculum must be planned, written and edited with a biblical base to help change the lives of people," said Elder. "Scriptures must be available at the lowest possible cost for our Southern Baptist people to share with others who need to hear and respond to the Gospel message. And we must make it as easy as possible for people to obtain literature and other products."

Effective March 1, 1988, Southern Baptists can order virtually any product the Board produces or sells by calling 1-800-458-BSSB. The advantages of this process are toll-free ordering and reduced response time to the customer. Also, churches may order literature via computer with the EASY Church Order System. Churches using this system either with their own computer or those in Baptist Book Stores may receive a five percent discount on their church literature orders.

To illustrate the scope of the work of the Sunday School Board, a total of 208,514 telephone and mail orders and inquiries were received during the first six months of 1987-88.

A major new product to meet the needs of people is the *Disciple's Study Bible* released in June 1988 by the Holman Division in cooperation with the Church Training Department. Study helps focus on 27 great doctrines of Southern Baptists.

Also, for the second consecutive year, the Board provided free to messengers attending the Southern Baptist Convention copies of New Testaments to use in witnessing to people they encountered in San Antonio.

Increasing the evangelistic focus of Southern Baptist Sunday Schools is a continuing focus of the Board's Sunday School Division. By October 1988, the plan of salvation will be included each quarter in all Sunday School lesson periodicals, Sunday School leadership and devotional magazines and Vacation Bible School materials.

Work has begun through the Church Music Department on production of a new Southern Baptist hymnal to be released in 1991.

A reorganization of the Church Administration Department was completed to give increased leadership and support for church growth.

Approximately 6,500 Southern Baptist single adults attended a national convention Memorial Day weekend in Nashville sponsored by the Family Ministry Department.

Writers are being enlisted for a new 40-volume Bible commentary to be published by the Broadman Division with the first volume expected to be released in 1991.

A total of 145 college students and campus ministers participated in a USA-Brazil global missions project in January 1988, a cooperative effort of the Board's Student Ministry Department, the Foreign Mission Board and the Brazilian Baptist Home Mission Board.

"Through our programs for people, we emphasize the nurturing of life through the study of God's Word, we seek to motivate and support the task of reaching people, and we challenge pastors, church staff members and volunteer leaders to see themselves as God's servants in the ministry of changing lives," said Elder.

Moderator's Report

The year 1988 has been a good year for The Dock Baptist Association. The General Board met quarterly as called for in our constitution. We voted to purchase a water cooler for the office building. We also appointed Rev. Darcey Hardwick to serve as a Trustee of the Association, replacing Bro. Walter Powell. In addition to the water cooler, the association has purchased a desk for the Director of Missions' office and two filing cabinets.

Vacation Bible School Report

We have had another successful year in Bible School. Many thanks to my inspiring VBS Team for their support and efforts to see that all necessary preparations were made to inform church Bible School workers in Associational Clinic. We had 16 schools with a total enrollment of over 950. There were five professions of faith - two at Honey Hill and three at Zion, plus two letter transfers because of Bible School

connections. Many thanks to each Director, Pastor and all Bible School Workers for their time and concern to make this year fruitful.

Special recognition goes to Honey Hill Bible School with highest enrollment of 106, Palmyra - 91, New Britton - 85, Mt. Sinai - 83 and New Life - 80. In Achievement Levels - five Advanced and seven Merit.

Please study the following chart - determine how you can improve. The vacancies you find in the chart means no report was received. Begin now making plans for 1989 Bible School. Thorough planning is the key to a successful Bible School. Thanks again.

WMU Associational Report 1988

It has been most exciting being a part of the Centennial Celebration of the WMU Organization. Those of us who were privileged to attend the celebration in Richmond, Virginia, May 13-14, 1988, have memories of worshipful experiences not to be paralleled with any others. Videos and memorabilia brought back would be a delight to share with you.

Approximately 130 Baptist Women, 25 Acteens, 35 GA's, and 35 Mission Friends in our Association have given in the area of $8,000 to all mission causes combined. The hours of loving service rendered wherever a need has occurred has no monetary or time value.

A time of prayer has been observed before each specified mission offering has been taken. A most informative and interesting study has been read, studied and taught on both Foreign and Home Missions by all age levels. Our Associational meeting was held in April with Palmyra Baptist Church. Frances Dawkins, a very active lady in WMU work, was the guest speaker. She is from Richmond, VA. Representatives from the Dock Association attended workshops in Kinston, NC, and came home to conduct our own workshop to train the Dock workers in each organization. We were also represented at Key Leadership at Ridgecrest.

Presently, we are looking forward to a study on Personal Witnessing/Mission Action at New Britton in January. The book was written by Christine Gregory. It is entitled, "I Can Be a Mirror" and is a great piece of literature on the afore-mentioned subject. May is Mrs. Lottie Ludlum's time to teach us a book on a current subject.

Continuing to serve as your WMU officers are: Director: Minnie Gore, Sec./Treas.: Lottie Ludlum, Mission Action/Personal Witnessing: Olive King, Enlistment and Enlargement: Estelle Evans, Baptist Women Director: Ann Simmons, Acteen Director: ?, GA Director: Esther Smith, and Mission Friends Director: Smithie Long. Please pray for these leaders and call on them.

Today we are privileged to have with us, Lee and Sara Bivens from Conway, SC. They are going to share with us some of their experiences in Israel, their work there, and some of the needs. They have given 15 years of their lives as missionaries there so they are well qualified.

Well aware of A Future to Fulfill, Dock WMU feels honored and privileged, yea, blessed to be among those launching into the second century of WMU activity. With Isaiah that great prophet of old we proclaim: "You have heard; look at all this. And you, will you not declare it? I proclaim to you new things from this time. Even hidden things which you have not known."

Respectfully submitted,
Minnie B. Gore, WMU Director

Constitution and Bylaws

ARTICLE I - NAME

This body shall be denominational and known as the Dock Baptist Association. It shall be composed of lawfully organized Southern Baptist Churches.

ARTICLE II - PURPOSE

The purpose of the association shall be to counsel together for the enlargement, expansion, and strengthening of the work of our Lord; to promote unity, growth, and fellowship among the churches, to engage in cooperative mission activities which cannot be accomplished by member churches acting independently, and to further the spirit of cooperation with the Baptist work in general as set forth by the Baptist State Convention of North Carolina and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The membership of the association shall be composed of messengers who are representatives to the association from her affiliated churches. The number of messengers from each church shall be as follows: three messengers for the first 100 members or fractions thereof, and one additional messenger for each additional 100 members or major fraction thereof. Such messengers shall be duly certified in the annual letters sent by the churches to the annual business session of the association. All ordained pastors of each church composing this body shall be allowed voting privileges. The courtesies of the floor may be extended at the discretion of the body to representatives of our denominational interests, and also to ministers and members of other Christian organizations.

ARTICLE IV - NEW CHURCHES

Churches may be received into the fellowship of this association only after having been under the watchcare of the association for one full year. Application for membership shall be made through the General Board of the association. Churches under the watchcare of the association shall make a written quarterly report of their progress and cooperative efforts in the work to the General Board, which meet on the 3rd Friday Night in March, June, September, and December of each year.

ARTICLE V - AUTHORITY

1. The association shall be a cooperative body for the purpose of fellowship, promotion, and counsel among the churches. It shall in no case control or direct a church with reference to its own government or internal policy. However, the association may upon invitation of a church send a committee to counsel with and advise that church.

2. A church may withdraw membership from the association upon presentation of a written request.

3. The association may withdraw fellowship from a church for a just cause upon recommendation of the General Board and upon approval of same by a majority vote of the members of the association in the annual business session present and voting.

ARTICLE VI - OFFICERS

1. The general officers of the association shall be a *moderator*, a *vice-moderator*,

and a *clerk/treasurer*, each selected to a two year term at the annual business session of the association, and a director of missions, who is not subject to annual election. The moderator shall be elected for one term and cannot immediately succeed himself after the second successive term. The moderator should be a model Christian with leadership capabilities.

2. The MODERATOR shall preside over the sessions of the association. He shall also be the chairman of all committees of the association. He shall appoint committees as needs arise and shall have general supervision over the general work of the association. The VICE-MODERATOR shall preside in the general absence of the moderator. The CLERK/TREASURER shall record, print, and distribute the annual minutes of the body and shall serve as secretary of the General Board. The CLERK/TREASURER shall oversee the receiving, recording, and disbursement of all associational funds. Disbursements not included in the annual budget may only be made upon written order from the chairman of the General Board. He/she shall also present an annual report during the annual business session. The DIRECTOR OF MISSIONS shall administer the work of the association and shall give his support to all offices and committees of the association. He shall (when at all possible) attend the Southern Baptist Convention and the N.C. State Baptist Convention and make a written report to all churches of the association. He shall attend leadership conferences and seminars to better equip himself to properly respond to the needs of the association.

3. The general officers shall be nominated by the Nominating Committee. The committee shall make known their nominations at the spring session, but no vote shall be taken. At the annual business session in the fall, the committee will again make their report. Immediately following the report further nominations may be made from the floor. In the event of further nominations for an office, nominations for that office shall be voted on individually. The newly elected officers of the association shall take office upon adjournment of the associational annual session.

These officers shall constitute the *Associational Council.*

The Budget and Finance Committee shall also promote the effective operation of the current budget in cooperation with the associational clerk/treasurer.

6. The General Board may name such other committees as it may deem necessary for carrying on its work.

If approved, each church shall be notified immediately in writing of the proposed amendment or revision which shall be voted on in the annual business session of the association. Any amendment or revision shall take effect immediately upon adoption.

4. Any messenger wishing to speak shall rise, address the presiding officer, state his/her name and the church which he/she represents. He shall confine himself strictly to the question under consideration, and avoid all personalities.

5. No messenger shall speak more than once on the same question without permission.

6. All motions seconded shall be definitely stated by the presiding officer before discussion.

7. No motion shall be withdrawn after discussion.

8. When a question is under discussion, no motion or proposition shall be received except to adjourn, to lay on the table, to amend, to commit, or to postpone to a definite time.

9. After a motion has been decided, any messenger having voted in the majority may move a reconsideration.

10. All questions except as relate to the Constitution shall be decided by a majority of votes.

Annual Associational Report
Baptist Children's Homes of North Carolina, Inc.

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problem that plague America's children and families.

While maintaining group care services in place since 1985, BCH also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The Executive Committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Michael C. Blackwell, President

The North Carolina Baptist Foundation Annual Report to Associations 1989

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the ongoing work of the agency. We are pleased to report that

the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the ongoing responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching $17 million, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes therafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate. We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Respectfully submitted,
Edwin S. Coates, Executive Director

The Biblical Recorder
Associational Report - 1989

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches and associations).

We have a large readership now but we want more—that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptists homes than ever before. Will you help us? Brotherhood Report

Last year I reported that the Brotherhood Department was changing its relationship with the State Convention. The change has been made and reorganization is underway. The Baptist Men's Ministries has been changed in that the state has been divided into ten (10) regions with a regional director. (Our Association is in region three (3) with Mr. Tony Brewington of Pembroke as our Regional Director.) Some regional leaders are needed for these various ministries.

My plan when I first accepted this position was to increase our Brotherhood organizations in the Association and so far we are stagnated. Our RAs and Baptist Men's organizations remain the same. I am available to help anyone - any time - and at any place. I cannot and will not try to force myself on anyone. I am here to *serve* if you need my service, let me know.

Our greatest need is *committed* Brotherhood leaders. At Associational level we need an Associational Brotherhood Director, Baptist Men's Director, High School Baptist Young Men's Director, and a RAs Director. (This is our minimum need.) At church level we need most of these same workers (committed leaders). We had a statewide training session for all Associational and church Brotherhood leaders. We as Baptist men need to recommit ourselves to our Savior and Lord Jesus Christ and then get on with the task ahead.

1989 Report to the Associations

When the 1989 session of the General Assembly of North Carolina convened on January 11, the first bills to be introduced were three lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last six years. However, the pressure for establishing a statewide lottery was stronger this time around due to two factors: 1. Virginia has started a lottery, and 2. Revenues were very tight, and some legislators were looking for some "easy" money to grant state employees and school teachers a pay raise.

The pro-gambling lobbyists and their favorite legislator, Senator Kenneth Royall (D-Durham), were successful in securing passage of lottery legislation in the Senate.

Senator Royall, one of the most powerful members of the Senate, used his political "clout" to keep the bill in committee until the closing days of the session.

He admitted to the media that he did not want the lottery to get tied in with the budget proposals. After the money bills had passed and the legislature was ready to go home; then, he made his move to put the lottery bill on a "fast track."

No time was left to call for a public hearing to give rank-and-file voters the opportunity for their input.

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal.

The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives six months to solicit opposition to the measure from the membership of the N.C. House.

Contact your N.C. House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A lot of prayer, time, and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statues.

A Legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen input on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced that consisted of the following features: 1. lower the breathalyzer threshold from .10 to .08 for drivers of motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in the May 1990 session.

Even with such a busy legislative agenda the League has assisted in numerous liquor elections across the state.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health . . . . because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of your association.

The Christian Action League is ready to stand with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.

The Annuity Board's Report to the Associations 1989

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord." The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years. Goals set by the Annuity Board trustees for 1989 include:

Developing a long term care plan suitable to Southern Baptist ministers and their families;

Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan;

Providing more choices for ministers seeking to meet the needs for family insurance protection;

Continuing to work hard to control health care costs;

Developing materials on financial planning;

Continuing to make churches and ministers aware of retirement and insurance plans.

Significant progress has occurred in meeting many of these goals. A new and vastly improved insurance program is being offered under the name ChurchLife. There will be four plans from which to choose. In addition to other improvements there has been an increase in the amounts of insurance that can be carried out in retirement.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989, 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling $67,775, and 409 monthly relief grants and 180 monthly expense grants, receiving a total of $142,914. The AB assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection - both for the church and the minister.

This is what is happening in North Carolina:

- There have been 27 new members enrolled in the retirement plans during the period April 1 - June 30.
- There have been 61 plan upgrades during this period.
- There are now 2,162 North Carolina churches and associations contributing to retirement plans.
- North Carolina has 1,892 signed Cooperative Agreements! More than any other state!
- The number of churches participating at the old Plan A level of $33.34 has *decreased* from 439 to 92.
- The average annuitant in North Carolina receives $249.96 month, up from $234 last year.
- North Carolina has 3,046 members making contributions to Annuity Board retirement plans.
- There are 1,764 annuitants receiving benefits each month in North Carolina - $440,929.89 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts:

- Only 64 percent of our churches are participating in our retirement plans - even after all these years of opportunity.
- Of this 64 percent, many do not actually make contributions. The minister does this on his own.
- Small contributions make the annuitant's benefits small:

In North Carolina

184 receive less than $50
493 receive less than $100
1,006 receive less than $200
1,287 receive less than $300

- We have 151 churches that have signed the Cooperative Agreement, but still make no contribution.
- We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice it is to say that there is *great* challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Let's keep up the good work.

North Carolina Baptist Hospital Report to the Associations 1989

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and A T & T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem,

Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

1989 Vacation Bible School Report

The 1989 VBS year came to a close with rewarding highlights. We experienced another successful year. A million thanks to my dedicated VBS team for their wonderful support and untiring efforts in presenting the materials to the Church Bible School workers attending the VBS Associational Clinic. Sixteen (16) schools with enrollment of 940 and two professions of faith from the Palmyra Bible School closed our year.

Many thanks, also, to each director, pastor, and all VBS workers for their time and care for their schools. Special recognition goes to Honey Hill VBS again for the highest enrollment of 108 - two more than last year. Zion had 87 - an adult class added to our enrollment. New Britton had 83, New Life and Mt. Sinai had 81 each, Palmyra had 76, and Dulah had 71. Achievement Levels were 9 - Merit, 2 - Advanced, and 1 - Distinguished.

Check the chart below, find your church VBS report. The vacant spaces mean no report received. Let this chart be your guide in planning your school for next year. Somewhere out there is a child, a teenager, or an adult that needs to know our Lord. Let's commit ourselves to do our best to find them.

Woman's Missionary Union Report

Anchors Aweigh! The Dock Association has launched into second century WMU work and is now committed to Full Speed Ahead!!! We are so thankful for renewed commitments and are assured of new commitments forthcoming. Our number of participating members has suffered a decline but with planned all-out effort we highly anticipate an increase here, also.

Our estimated 127 Baptist Women, eight Acteens, 18 GAs, and 10 Mission Friends have given well over $8,000.00 to Foreign, Home, State, and Community Mission projects and benevolences. Occupants of Homes for the Aging, Hospitals, and prisons have been ministered to physically and spiritually. Aid to victims of Hurricane Hugo has been generous. Any disaster or sorrow among our own communities has been addressed with tender loving compassion.

Studies in Personal Witnessing/Mission Action, Foreign Missions, Home Missions, and a woman's study have been taught and enjoyed among us associational wide. Weeks of Prayer materials for each mission cause have been studied and followed with respective offerings in individual churches. Associational leaders attended their workshop in Goldsboro, N.C., in August and followed up with our own training session for our Dock WMU Leaders.

Miss Nancy Curtis, Executive Director of N.C. WMU, was the gifted and inspirational guest speaker at our WMU Associational Meeting which was held with Seven Creeks Baptist Church on April 21, 1989, at 7:30.

Today, we are honored to have with us Rev. J.M. Gore, pastor of Millers Creek Baptist Church, Millers Creek, N.C. He will be enlightening us on N.C. Missionary Baptist work in Sao Paulo, Brazil.

Pray that we might attain our goal in 1989-90 to *reach* multitudes through enlistment-enlargement, *teach* through God's Word and our many mission pieces of literature and finally to *touch* and heal by personal witnessing and mission action.

Respectfully submitted,
Minnie B. Gore, Dock WMU Director

Constitution and Bylaws

ARTICLE I - NAME

This body shall be denominational and known as the Dock Baptist Association. It shall be composed of lawfully organized Southern Baptist Churches.

ARTICLE II - PURPOSE

The purpose of the association shall be to counsel together for the enlargement, expansion, and strengthening of the work of our Lord; to promote unity, growth, and fellowship among the churches, to engage in cooperative mission activities which cannot be accomplished by member churches acting independently, and to further the spirit of cooperation with the Baptist work in general as set forth by the Baptist State Convention of North Carolina and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The membership of the association shall be composed of messengers who are representatives to the association from her affiliated churches. The number of messengers from each church shall be as follows: three messengers for the first 100 members or fractions thereof, and one additional messenger for each additional 100 members or major fraction thereof. Such messengers shall be duly certified in the annual letters sent by the churches to the annual business session of the association. All ordained pastors of each church composing this body shall be allowed voting privileges. The courtesies of the floor may be extended at the discretion of the body to representatives of our denominational interests, and also to ministers and members of other Christian organizations.

ARTICLE IV - NEW CHURCHES

Churches may be received into the fellowship of this association only after having been under the watchcare of the association for one full year. Application for membership shall be made through the General Board of the association. Churches under the watchcare of the association shall make a written quarterly report of their progress and cooperative efforts in the work to the General Board, which meet on the 3rd Friday Night in March, June, September, and December of each year.

ARTICLE V - AUTHORITY

1. The association shall be a cooperative body for the purpose of fellowship, promotion, and counsel among the churches. It shall in no case control or direct a church with reference to its own government or internal policy. However, the association may upon invitation of a church send a committee to counsel with and advise that church.

2. A church may withdraw membership from the association upon presentation of a written request.

3. The association may withdraw fellowship from a church for a just cause upon recommendation of the General Board and upon approval of same by a majority vote of the members of the association in the annual business session present and voting.

ARTICLE VI - OFFICERS

1. The general officers of the association shall be a *moderator,* a *vice-moderator,* and a *clerk/treasurer,* each selected to a two year term at the annual business session of the association, and a *director of missions,* who is not subject to annual election. The moderator shall be elected for one term and cannot immediately succeed himself after the second successive term. The moderator should be a model Christian with leadership capabilities.

2. The **MODERATOR** shall preside over the sessions of the association. He shall also be the chairman of all committees of the association. He shall appoint committees as needs arise and shall have general supervision over the general work of the association. The **VICE-MODERATOR** shall preside in the general absence of the moderator. The **CLERK/TREASURER** shall record, print, and distribute the annual minutes of the body and shall serve as secretary of the General Board. The **CLERK/TREASURER** shall oversee the receiving, recording, and disbursement of all associational funds. Disbursements not included in the annual budget may only be made upon written order from the chairman of the General Board. He/she shall also present an annual report during the annual business session. The **DIRECTOR OF MISSIONS** shall administer the work of the association and shall give his support to all offices and committees of the association. He shall (when at all possible) attend the Southern Baptist Convention and the N.C. State Baptist Convention and make a written report to all churches of the association. He shall attend leadership conferences and seminars to better equip himself to properly respond to the needs of the association.

3. The general officers shall be nominated by the Nominating Committee. The committee shall make known their nominations at the spring session, but no vote shall be taken. At the annual business session in the fall, the committee will again make their report. Immediately following the report further nominations may be made from the floor. In the event of further nominations for an office, nominations for that office shall be voted on individually. The newly elected officers of the association shall take office upon adjournment of the associational annual session.

4. The Departmental Officers of the association shall be nominated by the Nominating Committee each year. These shall be *ASSOCIATIONAL SUNDAY SCHOOL & CHURCH TRAINING DIRECTOR, ASSOCIATIONAL YOUTH DIRECTOR, ASSOCIATIONAL BROTHERHOOD DIRECTOR, ASSOCIATIONAL MUSIC DIRECTOR, ASSOCIATIONAL VBS DIRECTOR, ASSOCIATIONAL STEWARDSHIP DIRECTOR,* and *DIRECTOR OF PASTORAL MINISTRIES.* The Woman's Missionary Union of the association will elect their Director in the annual meeting. These officers shall constitute the *Associational Council.*

ARTICLE VII - GENERAL BOARD

1. The association shall have a General Board which shall be charged with the responsibility for carrying on all the business of the association and promoting all work authorized by the association in the interim between annual business sessions. A report of the work of the General Board shall be presented at the annual business session of the association.

2. The General Board shall be composed of either the pastor or interim pastor and one lay member of each church. The moderator, vice-moderator, clerk/treasurer, and director of missions shall be members of this board.

3. The General Board shall meet quarterly at the associational office building on the 3rd Friday night in March, June, September, and December of each year. Also, the moderator has the authority to call a special session of the General Board if necessary for a stated purpose when notice of such meetings has been sent to all members.

4. The General Board shall have an Associational Council composed of the Departmental officers, moderator, vice-moderator, clerk/treasurer, and director of missions. The ASSOCIATIONAL COUNCIL will meet on the 2nd Friday in March, June, September, and December at the associational building. It shall coordinate the work of the association and make recommendations to the General Board about programs and promotion of the work of the association.

5. The General Board shall elect from its membership a Budget and Finance Committee at its December meeting. This committee should consist of five members (two of which would be the moderator and the clerk/treasurer). This committee shall survey the needs of the association as presented by different organizations, and shall prepare a budget to be submitted for approval by the General Board. The budget approved at the June meeting of the General Board shall be included among the recommendations of the General Board to the association in the annual business session. The Budget and Finance Committee shall also promote the effective operation of the current budget in cooperation with the associational clerk/treasurer.

6. The General Board may name such other committees as it may deem necessary for carrying on its work.

ARTICLE VIII - AMENDMENT OR REVISION

This Constitution may be amended or revised at any annual business session of the association by a two-thirds majority of the messengers present and voting, providing the proposed amendments or revision shall have been presented in writing to the General Board during their September meeting and approved by a two-thirds majority of the General Board present and voting. If approved, each church shall be notified immediately in writing of the proposed amendment or revision which shall be voted on in the annual business session of the association. Any amendment or revision shall take effect immediately upon adoption.

Bylaws

1. All meetings of this body shall be opened with scripture and prayer.

2. The fiscal year shall run from October 1 to September 30 and all annual reports shall conform to the dates of the fiscal year, and shall project programs for the current year. The reports shall be presented by the director for the current year.

3. The messengers shall observe towards the officers and each other that courtesy which becomes Christians.

4. Any messenger wishing to speak shall rise, address the presiding officer, state his/her name and the church which he/she represents. He shall confine himself strictly to the question under consideration, and avoid all personalities.

5. No messenger shall speak more than once on the same question without permission.

6. All motions seconded shall be definitely stated by the presiding officer before discussion.

7. No motion shall be withdrawn after discussion.

8. When a question is under discussion, no motion or proposition shall be received except to adjourn, to lay on the table, to amend, to commit, or to postpone to a definite time.

9. After a motion has been decided, any messenger having voted in the majority may move a reconsideration.

10. All questions except as relate to the Constitution shall be decided by a majority of votes.

11. The association shall have the right to decide what subject shall be admitted to consideration.

12. These bylaws may be altered or amended at any business session of the association by a majority vote.

13. In cases not covered by the Bylaws, *Robert's Rules of Order (Revised),* shall be followed.

1990 Report of Baptist Children's Homes of North Carolina, Inc.

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first statewide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

BAPTIST Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encom-

pases more than an entire fiscal year. For the past five years that special collection has meant $400,00 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

The Biblical Recorder
Associational Report - 1990

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for

less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Brotherhood Report

I attended Key Leadership Conference at Ft. Caswell in May.

We had a Brotherhood Fellowship supper at New Life Church on August 4, with four (4) churches represented.

I reported last year about the changes being made and a new relationship with the Baptist State Convention. Included in the reorganization was a setting up of regions. We are now in Region 3 with Tony Brewington being region leader.

There will be a regional meeting in Clarkton October 22 at 7:00 p.m. to 9:00 p.m. which I plan to attend.

1990 Annual Report
Christian Action League of North Carolina, Inc.

The last twelve months have been eventful ones in the Ministry of Applied Christianity.

LEGISLATIVE ISSUES

1. GAMBLING

All three lottery bills died in committee because the pro-gambling forces just didn't have the votes. The gambling industry launched a major campaign this year because the state was facing a $500 million budget short-fall. They employed the most effective lobbyists that can be found in North Carolina. The State Government Employees Association made the lottery its number one legislative objective. Yet, all of this wan't enough because the Christian community spoke up.

You can rest assured that the gambling industry will be back in 1991.

2. DRUNK DRIVING

Proposals from Governor Jim Martin and a Legislative Study Committee that really would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committee, but the House conferees rejected the offer. In many ways, the Senate compromise would have weakened even our current laws.

The House Bill provided for:

a. The lowering of the breathalyzer blood alcohol level from .10 to .08;
b. The banning of open containers of all alcoholic beverages in motor vehicles;
c. Increasing the civil revocation of driver's licenses from 10 to 30 days (North Carolina is the only state in the nation with less than a 30-day loss of driving privileges for registering a .10 or above on the breathalyzer);
d. Increasing the fines for being convicted of drunk driving (in 1947 the minimum fine was $100, and it is still the same 43 years later);

3. ABORTION

a. Because of the outstanding work of Representation "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to $100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate.
b. A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor but the bill died in the Senate (such consent is required before a school official can give an aspirin to a student, but such consent is not required for a minor to receive an abortion).

4. OBSCENITY

The Senate did approve Representative "Skip" Stam's House bill to make the possession of child pornography a felon.

The U.S Supreme Court, in upholding a Ohio law, stated that the purpose of such legislation is to protect the victims of child pornography and that the State of Ohio passed it "in hopes of destroying a market for the exploitative use of children".

We applaud that work of Representative Stam of Wake County (a Deacon in the Apex Baptist Church) in his tireless efforts on this legislation. Children deserve the most stringent safeguards our laws can possibly provide.

5. MISCELLANEOUS

Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem were side tracked by the Senate. Incidentally, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morganton, Archdale, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.

We have sought to keep the Christian community informed on moral and ethical issues through our publication, *Tomorrow,* and through speaking in churches, pastors conferences and civic clubs.

Thank you for your prayers and financial support in our Ministry of Applied Christianity.

Discipleship Training

Discipleship is a Jesus word. Jesus referred to His closest followers as disciples. He has commanded us as Christians to make disciples. In Matthew 28:18-20 Jesus has commanded us to go and make disciples. What is a disciple? Daniel Webster defines disciples as (1) One who accepts and assists in spreading the doctrines of another. Are you a disciple of Christ? Have you accepted Him and now you are busy spreading His Word? We as Southern Baptists have worked to get new converts but then we have neglected them. We have not provided them with the materials necessary to grow stronger in Christ. We have lost church members because we have not provided them with the necessary materials to firmly ground them in the Word. Discipleship Training provides these necessary materials.

DISCIPLESHIP TRAINING - A New Name - Discipleship Training has been known as Baptist Young People's Union (BYPU), Baptist Training Union (TU), and Church Training (CT) during the past 100 years. Our focus is the same to train people in becoming disciples of Christ. Disciple making is not a one time event - it is a learning process. The decision is just the first step. The daily learning is the rest of the process. The Discipleship Training department has so very much to offer in addition to the weekly DT materials. The weekly meeting does not have to be restricted to Sunday night. You can schedule it any time during the weekly period. In addition to this material there are Baptist Doctrine Studies (the study last spring was on "The Doctrine of Creation" - the study planned for the spring of '91 is The Doctrine of Lordship". New Church Member Training; LIFE (Lay Institute for Equipping) - there are 10 of these courses; Continuing Witness Training (CTW); Bible Drills for children and youth along with speaker's tournament; Survival Kits for adults, youth & children; Equipping Centers (49 modules available); Family Life Conferences; Church Study Courses; MasterLife; DiscipleYouth, just to name a few of the vast amount of materials available.

We, the Dock Association, must realize the need to begin a Discipleship Training program in our church for all age levels. We must teach our people what we as Baptists and Christians believe. If you have a current DT program I commend you and encourage you to continue. If you do not have a DT program please consider this as a plea to make this a matter of prayer for a dedicated leader to come forth.

Ephesians 4:12 states our task: "to equip Christians for the work of ministry in building up the body of Christ".

If you have questions, or need assistance, please contact Carolyn K. Gore, who will be glad to help you start DT or enlargement.

North Carolina Baptist Hospital
Report to Associations - 1990

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. . .One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clincial Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families and more than 14,000 services for hospital and church staff members and their families. The Ministers's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six

months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

Stewardship Report

What is Stewardship? It is a special relationship with the Lord. Stewardship refers to the relationship, responsible management, and accountability of the steward. We are stewards because God has made us so. We are required therefore to be faithful to God in managing His affairs in keeping with His intent and purpose.

I attended the Leadership Conference at Caswell in the Spring. It was a very interesting conference, good and helpful points presented and good fellowship. Bold Mission Thrust began in 1976 - that is - to tell every person in the world about Jesus. We can do this if each individual, church, and the denomination are willing to make life changing commitments related to missions by witnessing and giving. This year a new project was started - Witness/Giving Life with emphasis on personal witnessing. This project will go through 1994-1995, with a new Focus each year. 1990-1991 Focus will be on Commitment. Church preparation action should be: In October become a part of the Bold Mission Thrust 1990-1995 emphasis; November 1990 have Church Stewardship Emphasis; Soul Winning Commitment Day in January 1991; attend State Evangelism Conferences in February 1991; Church Training January and February 1991 and have the Commitment Revival March through May 1991. In September a Stewardship Meeting - with Brother Talmadge Williams and helper speakers had a fellowship dinner at Bennett's Cafe. The Pastor and leaders from each church were invited - five (5) churches were present.

Let us as members of the Dock Baptist Association put our best foot forward this year - 1990-1991. Let us witness for our Lord - who gives us so much; give of our time, because it really belongs to Him and give of our tithes and offerings in order that the Gospel might be spread. In order to accomplish this the Moderator and all Associational Officers, Pastors, leaders, and lay members of each church must be willing to put their shoulder to the wheel and PUSH. Witnessing of Jesus to the lost of the entire world is certainly a bold and noble dream. It will remain a dream until we make it a reality.

Anson Ludlum

1990 Sunday School Board Report

A year-long celebration of the Sunday School Board's Centennial was launched in June 1990 at the Southern Baptist Convention in New Orleans, Louisiana.

"Celebrating Heritage and Hope" is the theme of the celebration of the Board's 100 years of serving Southern Baptist people and churches.

"It is with gratitude to God for a heritage rooted in Holy Scripture and committed to service among Southern Baptist people that we enter our second century," said President Lloyd Elder. "We move forward buoyed by a spirit of hope and guided by the light of God's truth."

The Board was established amid controversy at the 1891 Southern Baptist Convention meeting in Birmingham, Alabama, where a record 855 messengers registered. J.M. Frost, a 42-year old Virginia pastor, was the leading proponent of a Southern Baptist publication board, while J.B. Gambrell, editor of the *Baptist Record*, state paper of Mississippi, opposed the idea.

The 13-member committee named to bring a proposal to the convention commissioned a two-man subcommittee, Frost and Gambrell, to prepare the report. Gambrell offered to let Frost write the report and name the Board's location, provided that Gambrell could write the closing paragraph. Frost agreed, provided that he be allowed to write the closing sentence.

Gambrell recommended "that the fullest freedom of choice be accorded to everyone as to what literature he will use or support." Frost then urged "all brethren to give this Board a fair consideration."

Frost presented his report in a tension-filled room as messengers on both sides waited, speeches in hand. When Frost had finished, John A. Broadus, president of Southern Baptist Theological Seminary, made an impassioned appeal for peace. In silence, the report was then adopted with only 13 dissenting votes.

From its beginnings with one assignment, publishing Sunday School literature, to the present with 17 Convention-assigned programs of work, the Sunday School Board has operated from the sale of literature and services. It has never received funds from the denomination or the Cooperative Program. Instead, almost $20 million has been contributed to the operating budget of the Southern Baptist Convention through the Cooperative Program. Also, more than $55.2 million has been funneled to state conventions for the support of Sunday School Board-related programs.

Adjusting the annual contributions to 1990 dollars using the Consumer Price Index, the Board has given almost $225 million to the work of the Southern Baptist Convention and to state Baptist conventions.

In 1991, as the Sunday School Board moves into its second century, its ministry will continue through three major publishing projects.

The Baptist Hymnal will be released during a four-day celebration in Nashville, March 11-14. The first volumes of The New American Commentary will be released and available at the 1991 Southern Baptist Convention meeting in June. And improved Sunday School literature for all ages will be introduced in October.

Elder said the Board begins its second century with a continuing commitment to the twin principles of autonomy and cooperation espoused in 1891 by Frost and Gambrell. "We appeal for the support and trust of our Southern Baptist people. Our goal is to serve all of the churches of this great denomination."

1989-1990 Woman's Missionary Union Report

1989-1990 has been a year of reaching out in His name for Dock WMU. We have tried to reach through Enlargement/Enlistment, teach about Missions through workshops, study courses, and weeks of prayer for Lottie Moon Christmas Offering and Annie Armstrong Easter Offering and State Missions. Then we have endeavored to touch through Mission Action and Personal Witnessing.

Twelve churches in the Dock Association with approximately 160 members in Baptist Women, eight Acteens, 27 Girls in Action (GAs), and eight Mission Friends have given around $4,000.00 to Foreign Missions, $13,000.00 to Home Missions, $800.00 to State Missions, $2,200.00 to the Cooperative Program, and quite a few thousand to Community Missions and Mission Action causes.

Two new Acteen groups, one GA group, and one Mission Friends group are organizing to begin a new year. We are delighted to be able to report this new growth and prayerfully trust this will inspire other groups to organize.

EMPOWERED through prayer and service we proclaim as we begin the 1990-1991 year: "To HIM who by means of HIS power working in us is able to do so much more than we can ever ask for, or even think of: To GOD be the glory in the church and in CHRIST JESUS for all times, forever and ever! AMEN!

Respectfully submitted,
Minnie Gore, WMU Director
